THE HONOR FLIGHT STORY:

When the National World War II Memorial opened in 2004, retired Air Force Captain Earl Morse—then a physician assistant in Springfield, Ohio—noticed that patients who served in WWII loved talking about the new Memorial. He also realized that many may never see it because of their age, finances, or poor health.

In early 2005 Captain Morse flew several Veterans in his own plan to see their memorial in our nation's capital. The tremendous impact that trip made for them inspired him to recruit other pilots to do the same. He took his idea to the Wright-Patterson Air Force Base Flying Club, and 11 pilots immediately signed up. Honor Flight was launched.

Word spread quickly. In 2006, a growing waiting list of WWII Veterans prompted Honor Flight to begin flying on commercial airlines to accommodate as many as possible.

Between 2009-2011, 1300 Triad-based WWII Veterans were honored via Rotary District 7690, and in 2020, Triad Honor Flight was formed as a regional hub.

Today we are committed to serving all Veterans 65 and older who served stateside or overseas. We will leave no Veteran Behind.

Triad Honor Flight is a Triad, NC-based 501c3 non-profit organization, which is 100 percent run by volunteers and created to celebrate America's veterans who "signed a blank check" and gave up so much to serve our country.

These brave men and women who served in so many ways both overseas and stateside are truly our heroes.

We are proud to salute you by hosting you on a FREE one-day trip to visit YOUR Memorial in Washington, D.C.

VETERANS 65+ You can fly now! We're taking applications for veterans ages 65 and older—our oldest veterans fly first! Whether you served overseas or stateside, we want YOU for one more mission.

It's never too late to say thank you! America's veterans have defended our way of life for generations without a proper 'thank you'. Honor Flight's mission to take veterans to see memorials built in their honor has changed that. Join us in celebration and to pay tribute to those who sacrificed for our freedoms.
